Dear Mr Harrington

WASTE BATTERIES AND ACCUMULATORS REGULATIONS 2009

Notification of grant of approval of a waste battery exporter

We have considered your application for approval as a waste battery exporter under the Waste Batteries and Accumulators Regulations 2009 ('the Regulations')

Waste Portable Batteries

We hereby grant approval to S Sacker (Claydon) Ltd to operate as an approved battery exporter (ABE) for waste portable batteries. Your approval extends to the following specified overseas site only:

Operator approval Number	Overseas site name and address	Tonnage (evidence notes)
BE1810539BE	Azor Ambiental S.A Ctra.Madrid KM 387 La Polvorista Cabezo Cortado Industrial Estate Molina De Segura Murcia 30500 Spain	N/A: No evidence being issued

Your approval is subject to the conditions specified in Part 2 and Part 4 of Schedule 4 to the Regulations. Your approval applies only to the named exporter for the specified overseas site only.

Your approval is valid from 10 January 2018 and ends on 31 December 2018, unless it is otherwise suspended or cancelled.

Waste Industrial and Automotive Batteries

We hereby grant approval to S Sacker (Claydon) Ltd to operate as an approved battery exporter (ABE) for waste industrial and automotive batteries. Your approval extends to the following specified overseas site and category only:

Operator approval number	Battery Category	Overseas site name and address	Tonnage limit
BE1810538BE	Industrial/ Automotive	Azor Ambiental S.A Ctra.Madrid KM 387 La Polvorista Cabezo Cortado Industrial Estate Molina De Segura Murcia 30500 Spain	Over 150 tonnes

Your approval is subject to the conditions specified in Part 2 of Schedule 4 to the Regulations. Your approval applies only to the named operator for the specified approved overseas site only.

Your approval is valid from 10 January 2018 and ends on 31 December 2018, unless it is otherwise suspended or cancelled.

The approval allows you to export waste industrial and automotive batteries for treatment and recycling to these specified approved overseas site.

Suspension and cancellation of approval

We may suspend or cancel your approval where it appears to us that you have failed or are likely to fail to comply with any of the conditions of approval. Suspension or cancellation may extend to one or more of your approved overseas sites, or may apply to your whole approval. Your whole approval will cease to have effect if you cease to be an exporter or if you request that your approval should be cancelled.

You must notify us immediately, in writing, of any changes to the details submitted with your application. If you wish to export to any additional overseas site you must submit an application to extend your approval to cover these sites, which will incur a charge of £110 per additional site.

You must ensure that all international shipments of waste batteries are in accordance with the Waste Shipments Regulations. More information on this can be found on our website at www.environment-agency.gov.uk/wasteshipments or by contacting our International Waste Shipments team on 01925 542265 or emailing to askshipments@environment-agency.gov.uk.

This approval does not replace any other environmental authorisation that you may have for the site. You must continue to comply with these and other relevant legislation.

creating a better place

Please contact Natalie Helliwell on 02030 253 830 if you have any queries.

Yours sincerely

A handwritten signature in black ink, appearing to read "Christine Norris".
